

DIPLOMA IN CAREER GUIDANCE & COUNSELLING : AN YET ANOTHER FEATHER ON CAP

CIGI Institute of Social Development Studies (ISDS) started its maiden program Diploma in Career Guidance and Counselling with wonderful admiration. 30 students enrolled to the program. The course is aimed at equipping a resource pool of career guides and counselors, well trained in theory and practices of career development. The course is first of its kind program in India

The course is of 6 months duration containing 130 hours blended with both theory and practical. The successful participants will be added to the career guidance division of CIGI. The students are supported with stipend worth to the course fee. Economically weaker students ARE exempted from the course.

The course will be officially inaugurated on 2nd November 2014 at CIGI. Truly, it will be a breakthrough milestone in the history of educational empowerment of Kerala

WORKSHOP ON HIGHER EDUCATION FOR FUTURE EXCELLENCE

CIGI in association with C H Chair for studies on Developing Societies, University of Calicut organized a workshop on Higher Education for Future Excellence attended by Principals and Managers of colleges affiliated to University of Calicut

The workshop is organized in the background that University of Calicut has called applications from colleges for starting new courses. Colleges have to have a wise planning to utilize this for introducing new courses which can really mould the next generation fit to compete for the demand of future.

48 principals and managers representing 33 colleges participated in the program. Dr. Radhakrishna Pillai, (Director, Academic Staff College, University of Calicut) inaugurates the workshop. Dr. V Kunhali (Visiting Professor, CH Chair) presided over the function. N.M Hussain (Director, CIGI Knowledge Management Centre) made a wonderful speech on futuristic education. Dr. Z A Ashraf moderated the discussion. Dr. O P Abdurahman, Prof. Kuttyalikkutty, Dr. A B Moideen Kutty, T Salim and many more facilitated in the discussion

NOBODY FAILS : MUKKOLA LEARNS TO WIN

Mukkola Village of Thaliparamba is in surprise for their children gets a wholehearted support of a big team of teachers and activists to win. CIGI’s project Nobody Fails – a community approach of inclusive education experimentally implemented here, for the selected students who are in threat of failure in 10th examination.

The students will get the remedial coaching by expert teachers and special educators, support for setting up learning environment in home, motivation programs, parents awareness programs etc. as the part of project. The project is conceived and implemented by Centre for Learning of CIGI and under the auspice of *Sahayi* – a CIGI units in Thaliparamba and MSF Panchayath Committee.

P A Abdul Salam speaks on the function of the project luanching at Thalipramba
