

MISSION EMPOWERING TEENS

CIGI Introduced a novel model of skill development of new gen expatriate students through THE EXPA YATHRA-2. The Yathra took place from 19th to 23rd July 2016. 45 students (26 boys and 19 girls) participated in the program. The aim was to create a scientific temper, awareness of different academic area and develop inter personal relationship.

“Expa Yathra” conducted for High school and Higher secondary students mainly from Gulf, to make them understand the educational & cultural environment in India and to introduce National institutes of higher learning and research in India. Accordingly we arranged visits to premier institutes in and around Bangalore city, and arranged interaction with faculties to get campus exposure to the students in the turning point of their career. It was a motivating experience for them in shaping up their future academic choices. The yathra covered Calicut, Bangalore, and Wayanad area and the team visited prestigious institutions like IIM Bangalore, IISc Bangalore and VITM Science and Technology
